### A ONE-TIME \$10.00 ACCOUNT SET-UP FEE WILL BE ADDED TO FIRST BILLING

I am the owner or the owner representative and understand I am responsible for submitting timely payment of the bill. I agree to abide by all rules, regulations, ordinances, and resolutions of the Nipomo Community Services District regarding water and/or sewer services to the above referenced service address. If sewer service is available to a home, the sewer charge begins when the water is turned on/or meter set. It is the responsibility of the owner to maintain the sewer lateral from the owner's residence to the main sewer line. We do not provide sewer service without water service. Due to the variable terrain and elevation differences within the service area of the District, water pressures vary depending on location. Customers in areas of higher pressures may wish to install a pressure-reducing device. Customers in areas of lower pressure may wish to install a pressure booster device. Either device is to be installed and maintained by the customer. I understand that all previous balances must be paid at close of escrow. Unpaid service bills run with the property and will become my responsibility if left unpaid.

Applicant acknowledges with his/her signature that he/she has read and understands the above.
